Case No. [19-cv-02345-SI](#)

ORDER EXTENDING DEADLINES

Re: Dkt. No. 29

11
12 Defendants have filed an *ex parte* request for an extension of the deadline to file a dispositive
13 motion. Upon due consideration of the request and the accompanying declaration of attorney
14 William Buranich, the court GRANTS the request. Docket No. 29. The court now sets the following
15 new briefing schedule for dispositive motions: Defendants must file and serve their dispositive
16 motion no later than **November 27, 2020**. Plaintiff must file and serve on defense counsel his
17 opposition to the dispositive motion no later than **January 8, 2021**. Defendants must file and serve
18 their reply brief (if any) no later than **January 29, 2021**.

19 Plaintiff has sent to the court a letter complaining about prison conditions at a prison in
20 Delano, unrelated to the events and omissions at Salinas Valley State Prison which are the subject
21 of the complaint in this action. Docket No. 29. If plaintiff wishes to complain about the conditions
22 at the prison in Delano, he may file a new civil rights action, but should file his complaint in the
23 U.S. District Court for the Eastern District of California because that is the proper venue for a
24 complaint about conditions at the prison in Delano, California.

25 **IT IS SO ORDERED.**
